

***E*POSTER INSTRUCTIONS**

Display of ePosters

ePosters are on display throughout the whole conference on 55" multitouch screen situated in the poster area near the Conference hall. All ePosters are available on one screen.

What is an ePoster?

An ePoster is an electronic poster displayed on widescreen 55" multitouch screen instead of printed on paper and installed on board as a traditional poster.

What formats can I use?

Only material in *.ppt (pptx) can be accepted. Format: see template. Hyperlinks, animated images, animations and animated slide transitions are not permitted for ePosters and will be non-functioning.

Are there any limitations of my ePoster?

Maximum 1 page/slide can be uploaded. English language is obligatory.

How is my ePoster being displayed?

All ePosters will be displayed during the entire conference in the poster area near the Conference hall. The ePosters will be displayed on user friendly 55" multitouch screen available for ePosters only.

Besides being displayed onsite during the whole conference, Poster Session will take place at exact time and each ePoster will have

its own exact timeslot for presentation by author(s).

Search criteria

The ePosters can be looked up by poster number, title, or presenting author name.

ePoster regulations

- For all references to products or companies, generic names must be used. Brand names can be inserted as a reference at the bottom of the ePoster.
- Advertising matters/corporate logos should be avoided on the ePoster.
- ePosters that do not comply with the above policy may be removed.

How can I upload/send my ePoster?

ePosters should be uploaded in specified format (ppt, pptx) using your ID and password at www.iceta.sk before date announced in communication with author or at the web page of the conference www.iceta.sk.
